SECTION 3. The elevations of all grades, where not otherwise specified, are given herein at the top of the street edge of the curb, and the property line elevation can be ascertained by computing same on the width of the sidewalk.

All sidewalks shall slope upward and away from the curb to the property line at the rate of one quarter inch to the foot, and all sidewalks shall be eight (8) feet wide on streets fifty (50) feet wide, twelve (12) feet wide on streets sixty (60) feet wide, and fourteen (14) feet wide on streets eighty (80) feet wide, except that on the West side of Olive Street, between the North line of Pacific Street and the South line of Tenth Street, the five foot concrete walk is to be built with the West edge at the property line and slope toward the street at the rate of one quarter inch to the foot with the top of the East edge of the five foot walk two feet above the top of the curb grade. Between the South line of Tenth Street and a point sixty feet North thereof, the sidewalk shall warp smoothly from the above described section to the normal section.

The curb grades between any grade point established herein and the next nearest grade point in the same block on the same side of the same street, shall be a direct line between such points, except as herein designated as following the line of a vertical curve, in which case it shall follow said curve.

The elevations of the grades hereby established are given in feet and decimals of a foot. The figures following the designation of grade points indicate the number of feet that such points are above sea level, and are fixed and established with reference to a common datum plane and standard bench mark consisting of the top of a brass bolt set in the nosing of the cast iron sill of the building at the Northeast corner of Twelfth and Spring Streets in said city, the said datum plane and standard bench mark being at the elevation of

738.60 feet above sea level.

SECTION 4. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

The foregoing ordinance is hereby approved after passage this 21st day of June, 1948
